

How to Apply

To help our teachers to prepare for the class better, they ask you to submit the following information:

- Name
- Citizenship
- Mailing Address including Street, City, State/Province, Postal Code, Email Address, Phone #'s
- Gender
- Date of Birth
- What program you are interested in (please include the dates also)
- How did you hear about this program

Please answer the following questions (limit your total application to one page in total):

1. Please describe your previous experience, if any, in land-based fields (gardening, farming, green building, community activism, land arts etc)
2. Explain your interest in this program, and how this practical training fits into your future plans.
5. Briefly describe your educational/ professional background.

Send your application to us, by snail mail or email. Please type or write legibly.

Enclose the \$100 non-refundable deposit with your application. Checks should be made to Permaculture Drylands Institute.

Applications are due two weeks before the program start date.
